

DRIVER'S LICENSE OFFICE REOPENING GUIDELINES

What we are doing to keep you safe.

APPLICANTS

Face masks are recommended while inside the building.

STAFF

will be required to wear masks and complete health checks daily when reporting to work.

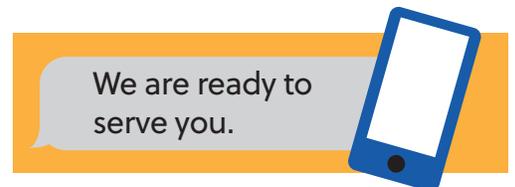

Sanitize

High-touch surfaces are routinely cleaned, including touch pads.

Social Distancing

Floor markings and limited work stations to encourage proper social distancing.

We are ready to serve you.

Text Notification

Applicants will be notified by text, or an alternate method, when to return to the office to be served.

Limited Services To Reduce Crowds

Applicants must meet one of the following qualifying criteria to request a credential:

- Replacing lost/stolen permit, license, or ID
- New resident with valid out-of-state credential
- Require card for employment or emergency
- Renewing card that expired before state official order took effect on March 18, 2020

**All applicants must have successfully completed any required Kentucky State Police testing.*

Online Appointments

This location is accepting online appointment requests. Visit realidky.com to sign up. A limited number of work stations will be available for walk-ins.

Open Monday through Friday
8 a.m. to 4:00 p.m.
