

IFTA License Renewal

Kentucky's Motor Carrier Connect system allows IFTA license holders to file their IFTA tax returns, reprint IFTA licenses, renew IFTA licenses and make payments online.

To get started processing Kentucky IFTA Online, you will need:

- Internet Access.
- A computer with an up to date web browser.
- A Kentucky Online Gateway (KOG) Account.

STEP 1: Login and Access your Account

1. Launch your browser and enter <https://ky.motorcarrierconnect.com>. The Kentucky Online Gateway login page will display.
2. Enter your Email Address and Password and sign in.
3. Your **Account Dashboard** will be displayed.
4. Select [Renew IFTA License](#) under Suggested Action – FUEL TAX.

Tip: Your Motor Carrier Portal login will work with the Intrastate Tax login through Kentucky Online Gateway account.

Tip: The License Renewal Widget shows on the Account Dashboard beginning October 1st through March 15th. After the 15th, the renewal link is found under Fuel Tax > Create/Renew License.

STEP 2: Start the License Renewal

1. The **Renewal** page is displayed, update the License Period Date if applicable to either full year or Quarter Start date.
2. Select all Fuel Types that are applicable to the IFTA License. Select if you do use or do not Bulk Fuel Storage and select [Continue](#).
3. Verify Physical/Mailing Addresses are correct then select [Continue](#).
4. Verify Account Contacts are correct, then select [Continue](#).
5. Enter in the number amount of Decals that are needed for the amount of Vehicles owned. Select [Calculate Fees](#).

Tip: You can View License Document on the Receive Credentials Screen!
