Create Account

The Create Account User Guide provides clear step-by-step instructions to help you create your KYID account. This guide walks you through each stage of the registration process, from accessing the portal and entering your personal details to verifying your identity and setting up your login credentials. By following the instructions in the sections of this user guide, you will be able to successfully create your account on the KYID portal and access all the features and services available on the portal. Throughout the document, there are **mandatory** fields marked with an **asterisk (*)** which must be completed to proceed further with the account creation process.

Additionally, if you already have a Kentucky Online Gateway (KOG) account, it has now been converted into a KYID account. Please log in to review and update your information as needed. Apart from self-registration, there are two other ways to start the Create Account process:

1. An invitation link via email
2. Clicking Sign In on an application page, such as kynect

The create account steps are the same for each of these scenarios.

Special Considerations for Users:

- **State User Accounts:** If you are a state user, your account is typically created during the onboarding process. Ensure you have submitted all necessary forms and documents to facilitate this process.
- **Training and Agreements:** Certain users may need to complete trainings or sign agreements as part of the account creation prerequisites. Ensure these requirements are met to avoid delays in account activation.

Additional Information:

- **Role Assignment:** After account creation, roles may be assigned through a request application or backend processes. Supervisors can facilitate this by selecting the user and assigning the necessary roles.
- **Support:** For assistance during the account creation process, you may contact your organization's support team or the KYID Help Desk at KYIDHelpDesk@ky.gov. Users can also contact our KYID Help Desk Team immediately at 502-564-0104 and choose option 2.

1. Create Account via Self-Registration

Please note: In case you have a KYID account or a previous Kentucky Online Gateway (KOG) account, enter your registered email address in the **Email*** field, select the **I consent to System Notice** checkbox, and click **Next** to login.

Accessing the KYID portal directly through your browser allows you to complete self-registration with ease. Once you've created your account via self-registration, you'll be taken straight to the KYID portal dashboard, ready to explore its features and tools.

Perform the following steps to create your KYID account via the Self-Registration process.

1. Click **Create Account** on the KYID homepage to start creating your account.

The screenshot shows the KYID homepage. At the top left is the TEAM KENTUCKY logo. At the top right are links for 'Help Center', 'English (English)' with a dropdown arrow, and 'Sign in'. The main content area has the heading 'All your applications, one secure place.' followed by the text 'Through KYID, you can access all your Kentucky applications—simply and securely.' Below this text is a red circle with the number '1' next to a button labeled 'Create Account'. To the right is a 'Sign In' form with a text input field for 'Email*' containing 'sample@email.com', a checkbox for 'I consent to the System Notice', a 'Next' button, and a 'Forgot email' link. A green dashed box highlights the 'Sign In' form area.

2. Click **Get Started** on the KYID homepage.

Multiple KYID accounts are not allowed. If you have an KYID account, use it to sign in. [Sign in now](#) × Dismiss

Create your KYID account

You will need a KYID account to access the **KYID Self Service Portal**.

2 [Get started →](#)

Who is this for?

This is the registration process to get access to KYID. Through KYID, you can access all your Kentucky applications - simply and securely.

What do you need?

You will need to provide your personal information during this account creation process. To further secure your account, it is recommended to have a mobile device with you during this process to setup Multi Factor Authentication (MFA).

How long will it take?

It will take approximately 5-10 minutes for you to complete the registration to KYID and create your account which can be used to access all your Kentucky applications.

Please note: The **Create your KYID Account** screen displays when you initiate the account creation process from the KYID home page.

You may click the **Sign in now** link if you already have an account on the KYID portal. Click the **Forgot email** link in case you are not sure whether you already have an existing KYID account.

3. The **Enter your account email** is the first step of the account creation process. Enter your preferred email address in the **Primary email*** field.
4. Enter the same email id in the **Confirm primary email*** field.
5. Click **Next** to proceed.

The screenshot shows a web interface for creating a KYID account. At the top, there is a link 'Exit create an account' and the title 'Create an Account Step 1 of 5'. The main heading is 'Enter your account email'. Below this, a message states 'Your email will serve as your username for your KYID account.' and a note '* Indicates a required field.' There are two input fields: 'Primary email*' and 'Confirm primary email*'. Both fields contain the email address 'jordan.smith@mailinator.com'. A red circle with the number '3' is next to the 'Primary email*' field, and a red circle with the number '4' is next to the 'Confirm primary email*' field. At the bottom, there is a '< Back' link and a 'Next' button. A red circle with the number '5' is next to the 'Next' button.

Please note: You may click the **Back** link if you want to go to the previous screen. In case you want to exit this screen, click the **Exit create an account** link at the top left of the screen.

The **Verify your email** popup displays. As the next step in the account creation process, you must verify your email. A six-digit verification code is sent to your registered email address.

6. Enter the six-digit code in the **Enter verification code*** field. Note that the code expires after 10 minutes.
7. After entering the code, click **Verify** to proceed. Upon successful verification, a success message is displayed.
 - a. Click the **Resend verification code** link to receive a new code in case the code expires after 10 minutes, or you have not received it.
 - b. Click the **Use a different email** link in case you wish to use a different email address to create your KYID account.

Providing your mobile number is the third step of the account creation process. The mobile number or alternative email will be used for Multifactor Authentication (MFA) and/or for account recovery.

8. Click the **Country code** drop-down arrow and select the applicable country code from the menu.
9. Enter your mobile number in the **Mobile number** field.
10. Re-enter the same mobile number in the **Confirm mobile number** field.
11. To verify your mobile number, select one of the following options to receive the verification code on your selected mobile number:
 - **Text message:** Receive a code via SMS.
 - **Voice call:** Receive a code through a phone call.
12. Click **Next** to proceed.

Please note: You may select the **Skip this step** link on this screen; however, if you skip this step, you must provide an alternate email as a mandatory step on the next screen. The alternate email address will be used to help you recover your account credentials.

The **Verify your mobile number** popup displays. As the next step in the account creation process, you must verify your mobile number. A six-digit verification code is sent to the mobile number you provided.

13. Enter the six-digit code in the **Enter verification code*** field.
14. After entering the code, click **Verify** to proceed. Upon successful verification, a success message appears.

If you need a new code sent to your mobile device:

- a. Select the **text message** link to receive a new code via text message in case the code expires, or you have not received it.
- b. Select the **voice call** link in case you prefer to receive the code via a voice call.

The screenshot shows a mobile app interface for verifying a mobile number. At the top, the title "Verify your mobile number" is displayed in blue. Below it, a message states: "Six-digit verification code was sent to [redacted]. Enter the verification code provided to verify your mobile number." A small note indicates that an asterisk (*) denotes a required field. The main input area is labeled "Enter verification code*" and contains six empty square boxes for digits. A red circle with the number "13" points to this input area. Below the boxes, a timer indicates "Code expires in 04:55 minutes". A red circle with the number "14" points to a "Verify" button located below the input area. At the bottom, there is a link to "Resend verification code by" followed by two options: "text message" and "voice call", both highlighted with red boxes and labeled with red circles "a" and "b" respectively. A "Back" button is visible at the bottom left of the screen.

Please note: The code expires in five (5) minutes. The retry limit is **three (3)**, for resending verification code through text message or voice call; that includes one primary and two retries. If you provide an incorrect verification code for the third time, an error message will be displayed.

You may click the **Back** link to go back to the previous screen.

Adding an additional account recovery method is the fourth step in the account creation process. This step is optional if you have already provided your phone number. However, if you skipped the step to enter your phone number earlier, this step becomes mandatory. Confirm that your **Primary email** is displayed correctly on this screen.

15. Enter your alternate email address in the **Alternate email*** field. **The alternate email cannot be the same email as the primary email address.**
16. Re-enter the alternate email address in the **Confirm Alternate email*** field and confirm it matches the one entered above.
17. Click **Next** to proceed.

The screenshot shows a web interface for creating an account, specifically 'Step 3 of 5'. The title is 'Add an additional account recovery method'. Below the title, the primary email 'Jordan.smith@mailinator.com' is displayed. A message states: 'We recommend that you add an additional account recovery method.' Below this, the 'Primary email' is listed as 'Jordan.smith@mailinator.com'. There are two input fields: 'Alternate email*' and 'Confirm alternate email*'. Both fields contain the text 'Jordan.smith@mailinator.com'. At the bottom, there are two buttons: 'Back' and 'Next'. Red circles with numbers 15, 16, and 17 are overlaid on the image to indicate the steps: 15 points to the 'Alternate email*' field, 16 points to the 'Confirm alternate email*' field, and 17 points to the 'Next' button.

Please note: Other mandatory MFA options may be prompted based on your user role. Please refer to the **Manage MFA User Guide** for detailed instructions on setting up the available MFA options.

18. The **Verify your email** popup displays. Enter the code sent to the alternate email, in the **Enter verification code*** field.
19. Click **Verify**.

If you did not provide a social security number, you will be encouraged to enter it for identity verification purposes. You may either go back and provide it or continue without providing your social security number.

The screenshot shows a web form for creating a KYID account. The form is titled "Home address" and includes fields for "Address 1*", "Address 2", "City*", "State*", "Zip/postal code*", and "Zip/postal code extension". Below these fields are "Country*" and "County" dropdowns. A modal window titled "Help us verify your identity" is overlaid on the form. The modal text reads: "While your social security number (SSN) is optional, it is encouraged to enter it for verification purposes. Your SSN will not be disclosed without your consent or unless required by law. Would you like to go back to provide your SSN?" There are two buttons in the modal: "Yes, go back" and "No, continue". Below the modal, there is a checkbox for "I have read, understand, and agree to the above terms and conditions" and "Back" and "Next" buttons.

KYID will also ask you to confirm your home address. You may continue with the home address you provided or select the suggested address.

The screenshot shows the same web form as before, but with a different modal window titled "Check your address". The modal text reads: "We can't confirm the address you entered with the U.S. Postal service. Tell us which address you'd like to use. Suggested address differs from the original." Below this text, there are two sections: "You entered:" with a radio button next to "521 RASPBERRY ST, ERIE, PA, 16507" and "Suggested address:" with a radio button next to "521 Raspberry St, Erie, PA, 16507-1043". There is a "Continue" button and a link "Enter different address" below the suggested address. The background form is partially visible, showing the same address fields and the "Back" and "Next" buttons.

After you have verified your basic information and home address, you will be asked a series of personal and financial questions. These questions are from third-party sources, Experian or LexisNexis. KYID does not store the answers to the questions.

5. Dashboard and App library

After signing in to the KYID platform, you will be automatically directed to the **My Dashboard** screen. The dashboard offers an overview of your account through sections such as **To-Do List**, **Active Enrollments**, **Active Invitations**, and **My Apps**:

1. **To-Do List:** The To-Do List section displays any tasks that you have not completed or have chosen to postpone. For each item, you will see both the application name and the due date for completion. For example, if you skip the Organ Donor Registration when prompted, you can later access this task from the To-Do List and complete the registration at your convenience. Additionally, some applications in KYID may require prerequisite assessments or mandatory training before they can be accessed. These required tasks will also appear in the To-Do List, ensuring you can complete them before their respective deadlines.

The screenshot shows the KYID dashboard interface. At the top, there is a navigation bar with the KYID logo, a "My dashboard" tab, and links to "App library", "Help Center", and a language dropdown set to "English (English)". The user's name "Jordan Smith" is displayed in the top right. Below the navigation bar is a dark blue header with the text "Welcome to your KYID dashboard" and a sub-header "Manage your applications, review your to-do list, and more." The main content area is divided into three sections. The first section, "To-do list (3)", is highlighted with a red box and a red circle with the number "1". It contains a table with three columns: "Task", "Application Name", and "Due Date". The table lists three items: "KYID Organ Donor EN", "KYID Account Settings Review EN", and "User Profile Review EN". The second section, "Active enrollments (11)", includes a "Refresh" button. The third section, "My apps (16)", includes an "Add app" button.

Task	Application Name	Due Date
KYID Organ Donor EN		
KYID Account Settings Review EN		
User Profile Review EN		

Please note: All the prerequisites that are left incomplete will be listed as a part of the To-do list. You may visit the prerequisites at your convenience later, however, some of them may have a due date to complete. The due dates are set by your application. If you have questions over your applications prerequisites, please escalate through your normal channels.

2. **Active Enrollments:** The Active Enrollments section provides a summary of all ongoing enrollments linked to your account. Within this section, you can view detailed information about each active enrollment or continue with your current enrollment processes. This section helps you easily manage your ongoing activities and ensures you have full control over your account participation.

From the dashboard, you can also access the **App Library**, **Help Center**, and your **Profile** for additional resources and account management.

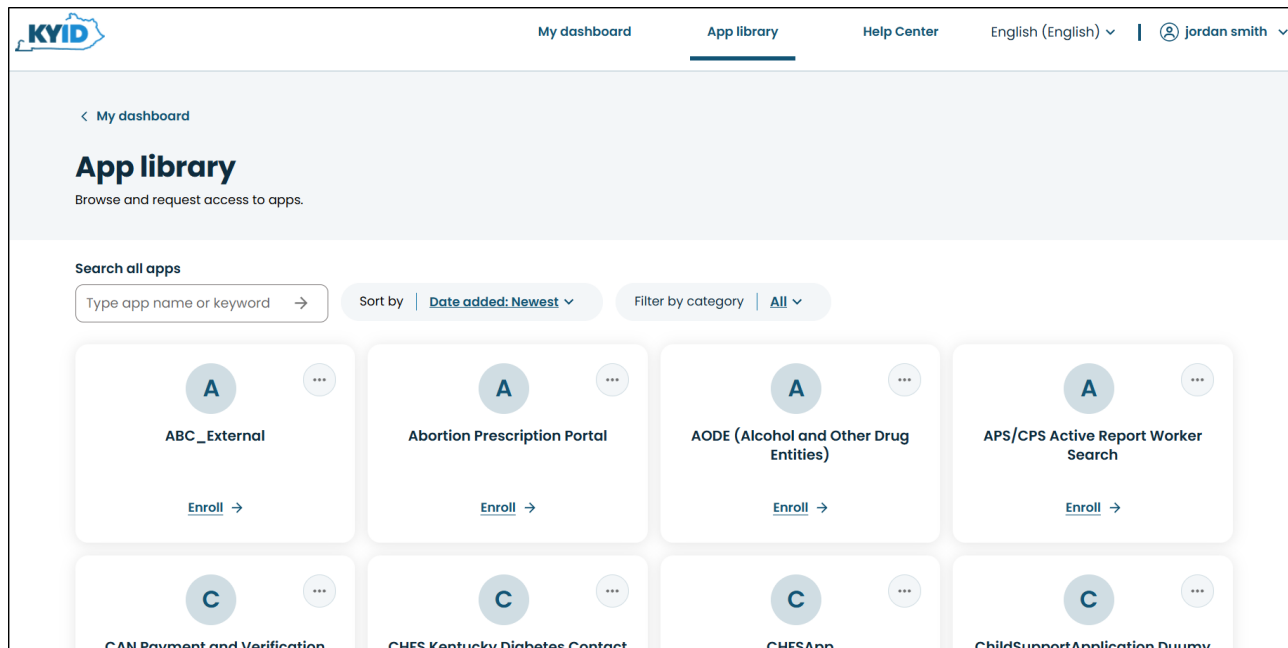

1. Click **App library** tab to access all the apps that are available on the KYID platform.
Alternatively, to access the app library you may click on the **+ Add app** option displayed on the screen.
2. Click the **Help Center** tab to access the KYID Help page in case you require any support related to sign-in, MFA, account management, KYID apps, or search for a keyword.
3. Click **Your Name** displayed on the top right corner to access your account information or to sign out of the account.

Please note: When you click the profile icon for the first time during your login session, you will be asked to complete multi-factor authentication to verify your identity.

App library view:

On the **App library** page, you can search all apps using the search box or sort the apps by your preference or filter the apps by category.

Help Center view:

In the **Help Center** page, you can select the displayed topic tiles on the screen to learn more about those topics, or you can search by keywords in the **Search** box.
