The REAL ID Act is a federal law to enhance the security of state-issued driving credentials. Effective **May 7, 2025**, all Kentucky standard driver's licenses and IDs (cards that don't display a star icon) are no longer accepted to board commercial flights within the U.S., enter into military bases, or enter any federal building that requires identification. Kentuckians who want to maintain these travel and access benefits have a choice! They can either use an approved federal form of identification (like a passport, passport card or military ID) OR use a Kentucky REAL ID. REAL IDs are driver's licenses, permits or identification cards (featuring a star icon) accepted for domestic air travel, military base entry and entry into restricted federal buildings. Kentuckians who are U.S. citizens or permanent residents may apply for a REAL ID at any Driver Licensing Regional Office across the state.

What You Need to Apply for a REAL ID

1 PROOF OF IDENTITY

Certified birth certificate, passport,
permanent resident card, etc. (no photocopies,
applicants under 18 must provide birth certificate)

2 PROOFS OF RESIDENCY

KY driver's license with current home address,
utility bill (must be less than 1 year old), etc.

1 PROOF OF SOCIAL SECURITY

Social Security card, current
tax year W-2 or 1099 form
(no photocopies of social
security card, SSN may not be
handwritten)

1 PROOF OF NAME CHANGE (if applicable)

If the current legal name is not
displayed on all of the proof
documents, **bring legal document
linking the name change** (marriage
license, court order)

Kentuckians applying for a REAL ID card must present one (1) valid proof of identity, one (1) valid proof of social security number and two (2) valid proofs of residency. If an applicant's name or gender doesn't match on the proof documents, additional documentation (like a marriage certificate or divorce decree) may be required. **A detailed list of acceptable documents is available at realidky.com.** The online IDocument Guide quiz provides a customized list of documents an applicant will need to present. Some acceptable documents have strict requirements (i.e. no photocopies of birth certificates, documents must be unexpired).

If your current license expires more than six months from the date you apply, you may pay \$15 to upgrade to the REAL ID license that will keep the same expiration date as your current card (you're eligible to renew your license once you're within your six-month renewal period).
